

Hi! I'm Kathy Balderas. I am a wife and a mother to two fabulous sons. Both of my sons went through the Early Childhood Education program here at Greenwood and I'm excited to be part of the program now as an assistant teacher!

I love spending time with my family and being outside is my favorite. I love to road trip and go hiking. The snow is my favorite place to be and I'm a pro at snowball fights. I am very crafty and love to sew and just be creative!
